

Welcome to JARRYDS Espresso Bar + Eatery

At JARRYDS we believe in balance, we are a place where quality meets passions and we like to think that it shows.

Wholly committed to sourcing and supporting locally produced and seasonal produce, JARRYDS focuses on highlighting the beautiful nature of each and every single ingredient we serve. Our providers deliver fresh from the market to us every single day, and our free-range eggs are the freshest in town.

We believe in Fair Trade coffee and our blend is co-roasted exclusively for us. Our carefully and lovingly crafted blend contains some of the worlds best and most exclusive coffees roasted to perfection.

Our artisan bread is baked in collaboration with our partner Bentley's Bread Co. using only natural, unbleached local stone ground flour.

We like to do our little bit for the environment. We only use biodegradable, environmentally friendly packaging and really don't like using straws but if you have to, we've got bio-straws. Our still and sparkling water bottles are recyclable and returnable so please leave them behind if you don't mind.

We want every customer to feel special and believe in personalised service that makes you feel right at home. The customer is the most important person in our business, and we love that you love us.

We hope that you can taste and enjoy all the love, energy and effort we put into your experience.

Thanks for choosing us.

Lots of Love

The JARRYDS Team
